7&8 L Step Behind R, R Step to Right Side, L Cross Over R (Option: Full L Turn L R L)

The tempo, variety of steps & restarts may be a little too challenging for Beginners or Improvers. That's why the level has been submitted as Intermediate. You all know your participants the best and may introduce the dance to Improvers. Enjoy dancing to Carrie U.'s new song.

Please don't alter this step sheet. i.e. keep in original form, when posting to a website. Contact me if any questions arise. Thank you.
